## Apprentice Vacancy

Here is what we are looking for:

- You do not need any previous hairdressing experience but you will need a good strong interest in the industry & a great attitude.
- We will be looking for a someone with a great work ethic to work alongside a team of busy stylists
- The weekly routine allows you to spent one day at Partners 4 Training & a weekly one to one session with an in house trainer
- You will complete an NVQ Level 2 qualification & be ready for the 'Salon floor', being able to cut, colour, perm & style hair

This is what you will be doing in the salon day to day:

- Assisting & learning from the stylists
- Helping to run the salon smoothly & efficiently with all the background jobs & housekeeping duties
- Giving expert advice to clients whilst learning the hair & customer service skills
- Striving to perform to the company's standards of detail & attention whilst making sure clients look & feel their best

This is what we aim to provide you:

- Training to the highest level
- Support you to achieve your maximum talent of creativity & potential within a strong team
- Give you the ability to earn while you learn
- Train you so that you are ready for the salon floor on completion

We have available positions for trainees to start immediately.

We welcome school leavers applying.
